

Backbone × wordification factorial — F-2 c_v coherence (mean across 6 labelled scenes)
 Green ★ = winner per row; purple = V20 (MI-weighted, label-aware); hatched = not yet run

Source: data/derived/v_sweep/{f2_coherence,hdp_backbone,proldla_backbone,etm_backbone}/ in CAOS_LDA_HSI. V20 places top-3 in LDA, ProdLDA, ETM; tied with V12/V3 on LDA. HDP V13/V15/V17/V19 cells deferred to a future cycle.
